THURSDAY, FEB. 26, 1885. the bill appropriating \$10,000 for the National Encampment of the Grand Army.

The Phil. delphia Press asks: Are we to later from Mr. Randall's hostillty to the National Board of Realth that Mr. Randall wants to give the cholera a chance?

In regard to Senator Sherman's position | hardly with respect to another term the Cincinnati Commerced says that he will not push him - President, after having axed the Union elf ne a candid to or refuse to serve if the

The agitation of the freight tariff at this session of the Legislature has been brought to, close by the receipt of a very satisfactors letter from Manager Tusker which

It is now claimed that the President-elect tilluks Senator, Lunur, is the man for the State Department and will so place. Him if be carminance other compileations that would arise from the appointment.

to the self-complacent conclusion that Mr. Sumn Evants is agreeably over-rated man, in fact, and of President-elect Cleveland has deelded ot to leave Albany for Washington until du the Tuesday morning before havinguration,

rending the capital at 10 o'clock in the mind t evening. He probably wants to avoid the 'yearthe bid office seekers as long as possible Remesentative Hewatt expresses the of den that the announcement of the fiteraddingt will cause much surprise, which is three usen must not be egarded as a bon then to mean that Mr. Cleveland has

The Boston Post's Washington corre-condent says others is a general feeling of discouragement among the leading Democraté In Congress," over the Informatter concerning the Cabinet. Great cot! If they are already disconniged, even before the luauguration, what will their feellings ban year or two hence?

"Hen" Frank James is once more a are eltizen. The mere fact of his being a nurderer, trans robber, and outlaw was of considered of sufficient Importance to soriant beloging him into court. Misours is a good. Democratic State, and as be Cabbiet is not yet complete her childs ght be recognized by the appointment of her most distinguished son to some one

to remark in Harper's Weekly that "the shall th thon of Mr. Cleveland was not at vote | sent to confidence in the Demogratic party." The se It ligane talk is this will not trouble the omigry and thirsty in the least. Mr. beritaha oths and his followers having idone all shall be their power to turn the Government higher? over do the Democrats, the mere fact of people subholding their distinguished confidence try to the s a infalter of no lamortainee whatever,

The tariff question was dehated in New of Yale College in favor of free trade, and by tien Stewart L. Woodford in favor of profession. The former argued this every ix should be for revenue only, and the are cases the national wealth, and makes contry independent of other countries. the solid he combinion understand why Yale graduatess ofne out of a Hege free traders, at generally become protectionists after a few ve are of practical hashess life.

A contemplatory says that the Repuls-month has he westloggen are preparing "Fold their tents and steal away." They we been stealing away for a number of we been steading away for a number of cars. That is the reason the people have treeted their to "fold their tents,"—Negli As the principal criticism made against

Cartepublicaniparty in the later unpaign was that it had accumulated a surplus in the treasing, such paragraphs as the above come with very prorgrace from the repre- Planning to Capture the Sonate scatalive of a purry that left the country usukrupt when removed from power.

Gougeal Benjemin P. Butler and Mr. From the Benjamin F. Butter and Mr. I fence against a fail on the Preasury and Probability Systems have just thed in the superge Judicial Court an application by Greek by hungry and thirsty Demography Mrs. Anale Sullivan, the wife of John L. Sullivan, the champion bruler, for divide the form her husband upon the ground of cruel and abseive treatment and grossford. Confirmed Eabits of Information. When not engaged in pounding some antigonist it is alleged that Sullivan keeps his hand in practice by abusing his wife.

If no offices by hungry and thirsty Demography and thirsty Demography and Sullivan were justified town, Mr. Thompson and Sullivan well for counseliors does not show u desire to keep back the mobility for the sum ends in small in practice by abusing his wife.

If no offices by hungry and thirsty Demography and thirsty Demograph the hand in practice by abusing his wife. He productly agrees with Mr. Hendrick that the only way to get efficient men in would disgress suy community and he office is to replace every Republican with will not flud his true sphere in life until a Demograp, but in doing that he will be

The contest for the Mayoralty numbration in the Democratic party is getting the in the Democratic party is getting the Mayoralty numbration in the Democratic party is getting the property warm. The two names most prominently mentioned are those of Mr. Thomas the interpretation of the Democratic process will be cheeked. Hence, all Democratic precedence that the thing to be done now is to explain the Senate. The success we shall sell. White and ex-Mayor Cumulags, both of of the Southern leaders in overcoming adwhen are anxious to secure the honor. The latter is reaking streamous efforts, as in is looking beyond the nomination to the postetility, which he hape to secure not withstanding the apposition of the properties of the Commercial, and it is understood that he has King, Chairman of the city committee, at work in his latterest. As the time for holding the causes approximate, and this increase of the commercial in the proposition of the properties of the Commercial in the proposition of the properties of the Commercial and it is understood that he has King, Chairman of the city committee, at work in his latterest. As the time for holding the causes approximate, and the latterest that it may be necessary to reflect a third, or compromise candidate, in order to like the breach.

The source is the foot the commercial and it is understood that it may be necessary to reflect a third, or compromise candidate, in order to high or compromise candidate, in order to object the properties of particles of particles of particles and the second candidate in the properties of particles of particles and the second candidate in the properties of particles of

Gov. -Hendricks has addressed a letter to Mr. Cryaland in which he says; "Mrs. Hendricks and I have been much annoyed Cleveland a Thompson and Vilas were by the publication in some of the newspapers of a peture somewhat resembling her and subficie in bad taste-attributing to the ambilion quite absurd. I need not say that the publication was without our knowledge, and that to no persons can it be so offenitive as to us. It understand that such pletures and articles are prepared in New York and fornished to subscribing newspapers for a small price. We trust that it will not be an annoyance to yourself, or the laffest of reapport to the self, or the laffest your family 9.4 The determined it a caneus to reapportion the self, or, the laidest your family? The the State so is to inske 103, Democratic publication of Mrs. Hendricks' picture and the new Orioans Explaint the sufficient electivery little amorgance, but it is extremely doubtful if the same could be sufficiently the publication of the view of, the Vice President in which he has attempted to outline the nolless of the floring and all districts sais to make ten Democratic A. W. BENSON. Ticket Agent. to outline the policy of the facoular ad- al districts as auto make ten Democratic 1 A. W. BENSON, Ticket Agent.

paper. In fact, he was as lamilie the enge English schoolooy of his own age could be imagined, and was regarded uch in the jame way as a wise man or acromancer of the middle ages was regarded by the ignorant populace, saving one respect—on one dared to lateries in him. Quiet and harmless when left and, for leading even when chaffed and inted, if he was caused by annore than dhardly bold noise on the part of his hooleflows, such as a grab at his keys, the sudden plunging of a head intohis sk, his black eves would thath, lik brow and contract into an almost disholical own, and no matter what weapon was the reach, or who was present, hould use it with the trang of a madman.

could be imagined, and was regarded uch in the same way as a wise man or acromance of the middle meet way as a wise man or acromance of the middle meet with an order on the point of biddly of his departual he made on a present to brother them. Qulet and harmless when left into, for-barding even when chaffed and inted. If he was roused by a nove that dinarily bold move on the point of his hooleflows, such as a grab at his keys, the sudden plunging of a head fato his sk, his black eves would fash, his brow and contract into an almost dinabeled when an order what wapon was thin reach, or who was present, he add use it with the fronzy of a madamance he was an object of awa and susping, as well as of rhilemby in the school, hat to lime he was fluttent. I don't lisk there was nauch in pointon between, for I had no taste for meetingles; but ised to speak to him, and by to take an orest in his pursuits. I need to take, his rigainst the yearg "buildogs" who re everlastingly yapping and samping out him; and he would refer to me upselentiff questions ha a manner which by served obeing out thin attonishing orrance of one who was supposed to he teacher, but which bound him elevally me. In the school he was suffered at the regardance of the mean of the him and the particular parents. Every other Saturday afteranoon a magnificently appointed arrange drove up to the playground, from an elevationing watering of constituting and the ward made round in the particular parents. Every other Saturday afteranoon and guildently appointed carrange drove up to the playground, from an elevationing watering place of Hydre, it they was another bond of unity been us. I found some for him. In the ritige there we analysis and his particular parents. Every other Saturday afteranoon and guildently appointed carrange drove up to the playground, from an elevation of the parents, because of the parents was a large of the parents. Every other Saturday after mon the parents was a large of high and parents. Every other Saturday are parents, leave of h

hengh I was a dreamy young enthuslast I four-andstwenty. I andw more than to theye that any but a kin I gon't lead they en-humer will him so attractive a one.

dive that any out a kin I, gould bear unit be each more within so attractive a case should be each more within so attractive a case should be each more within so attractive a case should be compared. The or starting wild is a sport of the good about the nearly love, my existence that the nearly love, my existence that the nearly hove, my existence that the nearly hove the carriage's all than one when I impeared to be at the other end of the ground stopping a light, and the French master played my tole to the occupants of the carriage; and instead in the other end of the carriage; and instead in the other end of the carriage; and instead in the other end of the carriage; and instead in the other end of the carriage; and instead in the other end of the carriage; and instead in the other end of the work of the other end of the start of this respect and after then for me, for not only were here lavalable politic with them at Hytle one exchange; and from their surrounnings. I could see that they were very great people. I believe the death those which a list in the layer of the will be people with a will be people with a will be people with a will be peo

My Joy may be langlated when one Sat- b.

My jay may be langlized when one Suturday the carriage came with Olga adure in it. I do not know what I said or how I looked during the Latterbour I stund beside it, but I remember that I fild not fairry to execute the usual orrand of fetching I van until the expiration of that time. There was not a trace of cocucity shout Olga's bearing toward me; but I impressed myearing toward me; but I impressed appearing toward me; but I impressed into the wild ist desuis of romandists.

The source I saw of I van, the legs I understood him. When I watched him among his school-fellows theref was a set seew to mis a set shoot him. When I watched him hand was against every one's, and every one's hand against his | When I will have well jight up, the bad lines would fide would jight up, the bad lines would fide from his mouth, and a saille would break out, which made him look positively handsone. Yet, strong as was my influence over him, I never goald get him to assiallate himself to the surroundings of his life, and when I suggested cheke to frost-bulke would inswer: "Mr. Cornell, such sports are, for harbarians, not for thinkers," a well I milet rout he was reconstant the larged at my young thinker of statem.

Space are, for harburnars, not for think creations, and the property of statement as well finight; but he was unmoved and serious.

One day—a wet day, and the school consequently conflued within, doors; I was sequently conflued within, doors; I was an ode to my charmer—when I heard above the dinof inglying, chattering, restile the dinof inglying, chattering, restile the room; scupinity are all think it, was not restile the room; scupinity or a communitation of the school consequently conflued by the first think it was not restile the room; scupinity or an ode to my charmer—when I heard above the dinof inglying, chattering, restile that respect to the room; scupinity or an of the room; scupinity or an office of the prospect of a change in the consequent of the room; scupinity or an office of the room; scupinity
